A normal girl about fifteen years old  
Had some idea's of her own  
Decided not to be a princess,  
Decided to be a DRAGON SLAYER!  
(Chorus)  
This world is a fantasy,  
Somethin' that we can't see,  
Somethin' like HEAVEN SHININ' THROUGH!  
This girl is a dragon slayer!  
That girl is a dragon slayer  
Too bad she didn't stay that way for the very next day!  
She got pushed away but she was Okay!  
Because she was dragon slayer OHHH YEAH!  
BECAUSE SHE WAS A DRAGON SLAYER!  
(Chorus)  
All was good because she was a dragon slayeeerrr
