#### CHORUS:

Yellow black diamonds  
Just to know the time is  
To tell you I'll slow it down for you  
I know that you aint my girl  
Got me feeling right gurl  
Hold me down  
I'm falling for you  
Â'Cause IÂ'm in love with the gurl next door  
We aint sleeping  
Keep it on the low  
Â'Cause no one gots to know  
So keep creeping

#### VERSE 1:

Take a stroll down by the Bay or drive down Parkway  
Baby gurl you know, we could do it just anyway  
Shop downtown Eatons, dine at 4 Seasons  
Call up all your girlfriends, tell Â'em we aint leaving,  
leaving -  
Gurl youÂ're such a Diva, old school Aretha  
Turn up the A.C IÂ'm catching up a fever  
Born again believer, never thought I'd leave her  
Every time IÂ'm with her I think about you like a  
threesome  
Baby itÂ's getting hard for me  
I know I got a mean gurl, she don't appreciate  
Hey! Your booty so phat gurl youÂ're so damn cute  
IÂ'm really wishing that my girl was more like you-Oo-  
o0  
Smile for me - Smile for me  
Chilling in the basement, you and I wasted  
Listening to Kartel, need a vacation  
Dabs to the Cartels for the blunt sessions

#### CHORUS:

Yellow black diamonds  
Just to know the time is  
To tell you I'll slow it down for you  
I know that you aint my girl  
Got me feeling right gurl

Hold me down  
I'm falling for you  
Â'Cause IÂ'm in love with the gurl next door  
We aint sleeping  
Keep it on the low  
Â'Cause no one gots to know  
So keep creeping

VERSE 2:

Always on my mind  
Think about it all the time  
I miss you  
I wanna kiss, kiss you baby  
I know it aint right  
But you make it feel alright  
It's crazy, what we go thru to be in here  
If my gurl knew  
What we came to do  
She'd run away wit my baby  
U see I would neva leave ya  
You gotta man, don't know how to please ya  
So be like Slim Shady  
Don't say you can't baby  
We don't need No JimmyÂ's  
You could be having my baby  
We could be riding so dirty  
Instead of crying, hurting  
LetÂ's do it, do it, just, do it just,  
One more time!

Chorus:

Yellow black diamonds  
Just to know the time is  
To tell you I'll slow it down for you  
I know that you aint my girl  
Got me feeling right gurl  
Hold me down  
I'm falling for you  
Â'Cause IÂ'm in love with the gurl next door  
We aint sleeping  
Keep it on the low  
Â'Cause no one gots to know  
So keep creeping

Verse 3:

That's my lady holding my baby  
Still you drive me crazy think about you long time  
CanÂ't forget about the nights that we've had before  
I remember those days when I held you clo-oO-Ose  
(Repeat)

Chorus:

Yellow black diamonds

Just to know the time is

To tell you I'll slow it down for you

I know that you aint my girl

Got me feeling right gurl

Hold me down

I'm falling for you

Â'Cause IÂ'm in love with the gurl next door

We aint sleeping

Keep it on the low

Â'Cause no one gots to know

So keep creeping
