Ex (Yeah)

Ex (Kelly and Yung Texxus)

Ex (Yeah)

[Kelly]

I never thought that we would break up for the better  
Should've never made the promises to each other  
So many things I should've said that you didn't know  
Coming in from a past with a heavy load

But I knew that you were a good man  
Give me love, you were faithful - It showed on my hand  
I know there are questions in your mind you don't  
understand  
Through the words of this song, I wanna answer them

Honesty (Check)  
Conversation (Check)  
A shoulder I can lean on anytime I'm feeling stressed  
(Check)  
Good loving (Yes)  
The perfect soldier (Yes)  
Was about to say "I do," when I know it wasn't meant  
So I

1 - Search in my mind, trying to figure it out  
And thought I was happy but I'm having some doubts  
Think I found the answer and I know I must confess  
I'm still in love with my ex  
And I wasn't ready when I said that I loved you  
And in my heart, I know that I gotta tell you  
I shouldn't have gone from a situation to the next  
I'm still in love with my ex

[Kelly]

Every moment that I stayed, I dug a deeper hole  
I was with you but my heart wouldn't let him go  
All my family told me, "Kelly he's the one for you"  
I know your family love me and I love them too

(I'm so sorry) I'm so sorry for the pain I put you through

But you shouldn't have to suffer cause I'm confused  
So much for looking forward to future plans  
Lost the love of my life and I lost a friend

Good to me (Yes)  
Security (Yes)  
You were all the things I wanted  
Checking everything (Check, check)  
You were comforting (Yes)  
Romantic man (Yes)  
How could I have said "I do," when I knew it wasn't  
meant  
So I

Repeat 1

[Kelly] (Yung Texxus)  
Silence  
(I don't know why you're telling me all this now)  
I've gotta own this  
I've gotta own this game  
(Yeah, I ain't the one you chose)  
I can't believe I'm saying this..  
Saying sorry is the hardest part  
(Yeah.. aye, it's Yung Texxus)

[Yung Texxus]  
From make-up's to break-up's  
His and her Jacob's  
Mi amore got issues galore, sure  
We was all good-good, and it was all good-good  
Now I'm reading old love letters (Damn)  
My homies looking at me like, "You know better"  
But I'm reminiscing so I had to consider  
Did she go hard for me? (Yes)  
Take a charge for me? (Yes)  
Turn her head when them other hoes was callin' me?  
(Yes)  
I can't lie, when she left she took a part of me  
Part of me want her back but part of me can't pardon  
she (Nope)  
Call it foolish pride but shit, who am I?  
I made my mistakes, tossed my dirt to the side  
Er'time we meet I see the hurt in her eyes  
Cause I'm an ex-friend, ex-homey, ex-lover  
So stop the phone calls, voicemails, etc.  
Shawty keep the ring, forget the day I ever met ya

Repeat 1

Ex

Ex  
Ex (Ex)
