Yeah
You know what it is,
It's your man Travis.
Gym Class Heroes.
Kelly Rowland.
Oh so beautiful.
Baby girl, stay up all night.
Now tell 'em, show 'em how we do.
Here we go! Oh!

Kelly Rowland
It's 5 o'clock am,
And the party is still going strong.
There's a conversation in the corner,
Tell a friend, bring everyone.
Come on, let's go
Cos the FM music is groovin',
Folks getting down, getting down in their stocking feet.
Sleepy eyes are peeping,
They're watching baby
From the window across the street.

Chorus
And it looks like daylight's gonna get me up again.
Damn right and I'm lovin' every minute
Most people like getting up when I'm just getting in.
I'll be back in three days like Paris's jail sentence
And oh, it's the only only time,
It's the only time when I can unwind.

Kelly Rowland
I swore to myself time and time and time again,
That I would give up the night-life,
Yeah right
Start laying in.
But it ain't easy, no no,
No no no
Saying no to my friends.
(That's right)
Cos the real, cos the real set don't get started,
Til everyone else is in.

Chorus

And it looks like daylight's gonna get me up again.
Damn right and I'm lovin' every minute
Most people like getting up when I'm just getting in.
I'll be back in three days like Paris's jail sentence
And oh, it's the only only time,
It's the only time when I can unwind.

Gym Class Heroes

Hello world, good morning sunshine,
Great to see you again,
Homie, I'm doin' fine
Chasin' day dreams, you know still pursuing mine,
Sleep is so foreign, TV is so boring,
New York is New York,
Travie is still alright,
The freaks come out at night like a vampire.
Nocturnal lurking ..
The daylight creeps up

Kelly Rowland

And it looks like daylight's gonna get me up again.
Damn right and I'm lovin' every minute
Most people like getting up when I'm just getting in.
I'll be back in three days like Paris's jail sentence
Daylight's gonna get me up again.
Damn right and I'm lovin' every minute
Most people like getting up when I'm just getting in
