So damn easy to say that life's so hard  
Everybody's got their share of battle scars  
As for me I'd like to think my lucky stars that  
I'm alive, and well

It'd be easy to add up all the pain  
And all the dreams you set and watch go up in flames  
Dwell on the wreckage as it smolders in the rain  
But not me, I'm alive

And today you know that's good enough for me  
Breathing in and out is a blessing can't you see  
Today is the first day of the rest of my life  
And I'm alive, and well  
I'm alive, and well

Stars are dancin' on the water here tonight  
It's good for the soul, and there's not a soul in sight  
But this motors caught it wind and brought me back to  
life  
Now I'm alive, and well

And today you know that's good enough for me  
Breathing in and out is a blessing can't you see  
Today is the first day of the rest of my life  
Now I'm alive, and well  
Yeah I'm alive, and well
