[Intro]

I gotta be honest though and tell the truth  
That why I talk on my records, that be why I talk on my records  
Be like cause I got somethin to say  
And on this song right here I got somethin to say  
about them real women out there, y'knahmsayin?  
(C'MON!) Ya heard me?

[Chorus: Kia Shine + 'Kane']

Holla at me any time you need me  
When you hear this song bump on the radio  
I, know you be happy cause we made it past it  
If you need somethin just ask daddy, c'mon  
When sunshine turns to rain  
You stuck with me through all the pain - that's why I love you  
Trust me, you ain't got to want for nothin  
If you ever need meeeeeee - just holla at ya kinfolk

[Kia Shine]

Kinfolk, look  
Kinfolk she came down South with me, suffered through the drought with me  
Lived out of car, still didn't have no doubt in me  
She went without with me, lost e'rythang she had (that she did)  
To get me back on my feet she borrowed from her mom and dad  
She wore the same clothes, even rocked the same shoes (same shoes)  
She sold her earrings mayne to get ya boy back in the booth  
She sold my mixtapes to help me get our shit straight  
My gal trill and for me she'll do whatever it takes  
She took a charge for me when I got caught with a gun and 'dro  
At TSU homecomin at the mass co (cash real)  
She on the grind with Shine, tryin to come up on these figures  
I'ma keep it trill mayne, she realer than most of y'all

niggaz~!

Taught her stay down (down) and you'll come up (up)  
That's how we live everyday where I'm from bruh  
And mayne it's what she did (did) she know who she is  
(she know)  
Anything I got I'ma give her, holla at ya kinfolk

[Chorus]

[Kia Shine]

Kinfolk, kinfolk!

See you my inspiration; on top of that my motivation  
I know you got my back, regardless of the situation  
Girls don't even know you hate you, I know they get so  
aggravatin  
Yet you got so much patience dealin with me and this  
dream I'm chasin  
I'm constantly on the road (road) I'm constantly on the  
move (move)  
You calmly handle the duties, things you thought you'd  
never do (do)  
Like livin out hotels (#tels) and messin up your credit  
(credit)  
It woulda broke a weaker gal but you ain't let it (ain't let  
it)  
Get the best of ya (nah) that's why I mess wit'chu  
Went through God's test wit'chu, why I'm so blessed  
wit'chu  
I must confess to you when I say that you the trillest  
(trillest)  
Compared to any other gal yeah you the realest (the  
realest)  
And mayne you got to feel it, just like my heart's feelin  
Through this track when I be talkin 'bout this hard livin  
It's like you was my witness (witness) now you is my  
Mrs.  
Anything you want you can get it, holla at ya kinfolk

[Chorus]

[Kia Shine]

Ay, you know I ain't one of these dudes  
who too hard to say how he feel, y'knahmsayin~?  
It don't cost nuttin to keep it trill  
You stay down there with me, you gon' get what's due  
to you  
Whatever you need daddy got you  
Holla at ya kinfolk

[Chorus]

Just holla at ya kinfolk
