(Keon Bryce)

So many girls I know
Don't wanna let me go
That is the reason why
Me and you just flow
Its like you make me glow
As soon as I see you child
Yes you drive me wild
With your ebony smile
You are you are you are something special

Anyway you want it
You know I'll always try
And when you need it
I will provide
You know I love it
Havin' you by my side
Lets stay together
Oh Oh

(Ms. Dynamite)

I never tasted such a sweet kiss and
I never felt so much tenderness and
He got me weak he gone five minutes and I miss him
I'm feelin' deep baby sit down and listen
Anytime that you ain't here you got me feenin'
For your love it feels so good its like I'm dreamin'
Just your touch has got my heart screamin'
Its crazy baby what you got me feelin'

Anyway you want it
You know I'll always try
And when you need it
I will provide
You know I love it
Havin' you by my side
Lets stay together
Oh Oh

(Keon Bryce)

I know something I do see

(Ms. Dynamite)
Baby you got that love I need
(Keon Bryce)
You're the only one that can set me free
(Ms. Dynamite)
Boy I'll love you eternally
(Keon Bryce)
I don't need nobody baby
(Ms. Dynamite)
I really want you to know I love you crazy
(Keon Bryce)
I don't need nothin' beside
(Both)
Havin' you in my life
