Please don't turn me off

Yeah

Like this

Where you at shawty

You fly as hell, swagga right, brown skin poppin

You know just how to talk to me

Know just how I like it

You turnin' me on, you turnin' me on, you turnin' me on

Now wait a minute little buster

You got one more time to feel on my booty

Better recognize a lady

That ain't the way you do me

You turnin' me off, you turnin' me off, you turnin' me off

Better recognize a real woman

(aaahhh)

You ever try to get that close to me

You better come correct how you 'proachin me

Dime divas give it to me

(aaahhh)

I gotta be feelin' your energy

I gotta be for sure that you're into me

Recognize a real woman

Goin up on it, you actin like you want it

And you stuntin like your daddy checkin for this little mama

You turnin me on, you turnin me on, you turnin me on

Now wait a minute little buster

Now you don't even know me but you wanna take me shopping

You a lame, I can tell it ain't big shit poppin

You turnin me off, you turnin me off, you turnin me off

Better recognize a real woman

All you wanna do is

Holla at the cutest

Broad to get up in them draws
Got money
Don't try to buy me
Bottles, got my own dollars
I could buy up the bar if I want it

(aaahhh)
You ever try to get that close to me
You better come correct how you 'proachin me Dime
divas give it to me
(aaahhh)
I gotta be feelin your energy
I gotta be for sure that you're into me
Recognize a real woman

[Lil Wayne:]
Eh eh eh

dynamite
Raw like china white, mami I dig your persona right
You dat baby mama type

My ices elbino white
And I hope that ur vagina tight; I go underwater
and I hope your parana bite
hot carter, Ima kiss the spot for you
Ima kiss it to you scream Wait a minute motherf**ker
turn you on like a handle
Like the television on a weather channel
cause I make it rain girl
Now call me wayne girl
You just been on earth but you never been to wayne's
world
I play to win, and i bait em in
I just do my thing now you're in love with an alien
Polow on the beat and yeah, weezy f is on the plate

Keri if you pitch it at me i'm a swing away at it
Someone better play the fence, someone better tell
them bout me
Baby I'm the shit and that's the only thing you smell
around me
Weezy f baby and don't forget the F around me
And if you do then get the F from round me, you're
turnin me off yeah
Polow I told you I got you
Ms. Keri Baby (2x)

(aaahhh)
You ever try to get that close to me
You better come correct how you 'proachin me

Dime divas give it to me
(aaahhh)
I gotta be feelin your energy
I gotta be for sure that you're into me
Recognize a real woman
