[Krayzie Bone]

Man fuck that

Nigga been on the grind all this goddamn week man  
I'm ready to spend some of this motherfuckin money  
baby

(It's goin down, Thugline)

It's time to party - let's have a big celebration

{\*echoes\*}

(Let's show these niggaz how the Thugs do it)

It's time to party - let's have a celebration

Monday, Tuesday, Wednesday, Thursdays I work but  
Friday's my day off

It's Friday night.. I just got paid

Monday, Tuesday, Wednesday, Thursdays I work but  
Friday's my day off

I need to feel my mind at ease, I've been workin every  
day this week

[Lyric]

First in the game, get my cheese maintained

On my knees give brains, I'm so glad it's Friday

Oh yeah, it's time to play

Call my nigga Asu, call my nigga Kray'

He say he wanna give dick today I say whassup  
with some motherfuckin drink; he said "Hell yeah, I  
want some skin"

What the hell is that? Just gin and Henn', it's goin down  
baby

You got me somethin to roll, got that pound baby

Let's get high, so high

We thugs, that's why, we get high

Fuck a 9-to-5, we work too, we got jobs too

Rent bills, yeah them too baby

Hit the club niggaz actin crazy, First Lady

You touch me, Asu, Thugline, I thought you knew

Such a good day, such a good day

This motherfuckin day they call Friday

(To go we put it down)

[Chorus: Krayzie Bone]

Monday, Tuesday, Wednesday, Thursday's a work day  
Friday's my day off (it's Friday night)  
My day off (just got paid)  
Monday, Tuesday, Wednesday, Thursday's a work day  
Friday's my day off (I need to feel my mind at ease)  
My day off (I've been workin every day this week)

[Krayzie Bone]

Hustle, my niggaz on the Thugline while I'm in my car  
Got window tints for sure, so when we play know they  
never know who we are  
I know it's Friday, Friday close to kinda rowdy  
So I proudly play it safe and I pack my .380 so don't try  
me (try me)  
Man, don't you love Friday?  
It's my good day, baby get high day  
Just can't wait, to hook up with my Thugs  
We already got the liquor and the thugs (oh yeah it's  
goin down)  
C'mon, c'mon, c'mon

[Lyric]

Kray', it's such a special day, it's Good Friday  
This is for not just to play  
Get with my homies, chill up out the work day  
Share my plans on how to get more pay  
I plan to be wealthy someday on Sunday  
On my Malibu home to lay out, where my body down  
Get a tan, my help answerin me, "Yes ma'am"  
That's why I work all week, on Friday I begin to treat  
myself  
Cause it's my day to play, we gotta mash every day but  
Friday

[Chorus]

[Krayzie Bone]

Durin the week I hustle all of my time cause I'm on the  
motherfuckin grind  
And by the end of week I wanna recline, get hot, and  
free my mind  
Gettin fucked up is the vibe as we ride  
Four deep in the Benz, sip this new shit we invented,  
Henn' mixed with gin  
Nigga roll up the blunt and pass me some Sin  
Don't give a damn if it's fucked see Bam I put the  
dumpers  
in the Lex-o FO'-double-oh; how many of you come to  
party  
but you motherfuckers know I could be plottin my  
dough

We never be trippin off no static, if it jump off we  
handle that  
But for now we on the mission to get lifted, nigga  
what's happenin?  
We stackin to the bar  
We been already drinkin before we got her in the car  
Niggaz got a head start, 11 us niggaz be mean muggin  
I say this cause we thugs and we don't give a fuck  
(what?)  
Though we be humble when we step in the place  
But we can rumble if you step in my face and you  
violate my space  
Other than that; my niggaz is fucked up havin a hell of  
a time  
We'll find a spot where we can smoke and security  
won't be there scopin  
Then let's hit the flo' and get the crowd open, it's  
definitely my day  
And my day, is definitely Friday (we put it down)

[Chorus]

[Krayzie]

Get down, yeah, Thugline
