If you give me things just to own me  
That not how to be  
I'll give you anything if only  
It sets you free

If life gets you down then keep your head up proud  
And embrace your spirituality  
Cause love is all around and life is lived right now so  
Come and sing my song with me

Cause I'm singin  
I'm free  
Free  
Free as the light in the day

Said I'm free  
Free  
Free as the light in the day  
To sing my song  
To sing my sing

We came in chains to place that  
Preached equality  
We grew in pain to place that  
We just had to be

If your skin is brown then we will keep you down cause  
You can't have the same things as me  
Well I'm so glad we found that we turned it around and  
Now that I can stand here and sing

Well I'll sing  
I'm free  
Free  
Free as the light in the day

Said I'm free  
Free  
Free as the light in the day

I'm free

Free  
Free as the light in the day

Said I'm free  
Free  
Free as the light in the day  
To sing my song  
To sing my sing
