Sometimes I wonder where I'm going
Sometimes I wonder where I am
I'm on the road to nowhere
and I won't be coming back again

Time changes people
People change with time
Sands keep falling from the hourglass
and hungry children keep on crying

And I'm so tired
And I'm all alone
And I don't know who I am
And I don't know where I'm going

Great Society people
Pushin' me around
They don't care who they're steppin' on
or burying in the ground

And I'm so tired
And I'm all alone
And I don't know who I am
And I don't know where I'm going

(Voiceover)

(And on that note, I shall give you my sympathy. And think about the new age.)

Don't know where I'm going
Don't know who I am
I'm just a star on a democratic flag
And I've never had a friend

I'm just a star on a democratic flag
And I've never had a friend

I'm just a star on a democratic flag

And I've never had a friend
