[Lady Sovereign]

Yeah!!

It's officially the biggest midget in the game

I dunno...

Make way for the S-O-Veeeeeeeeee!

[Chorus: repeat 2X]

Love me or hate me, it's still an obsession

Love me or hate me, that is the question

If you love me then - thank you

If you hate me then - fuck you!

[Missy Elliott]

I'm ridin like a Range Rover, bitch move over

Wear mo' ice than the bears in the polar

Off my shoulders - ice, baby

Don't the jewelry look - nice, baby

I don't really give a WHAAAT

I tell 'em all they can kiss my BUTT

I got three groupies up in the CLUB

And they payin for the tab, pick it UP

I'm a lover, I don't need to fight

Give me time and I'll blow your mind

If you give me two secs to blow your mind

Yeah five plus five, yeah, I'm a dime

Yeah I got twelve cars and I'm a star, okay kay?

Them seven digits numbers that's the cash in my

baaaank

I write, I sing, and I do my, do my, do my thing

I dance, romance, and Lady Sovereign tell 'em how it is

[Chorus]

[Lady Sovereign]

Stars whine, hand to the side

Came roll up like addy ap's freestride

No one got craps like mine

When I step you see that shit shine

Why not show flesh boy I'm so fresh to death

But when I wake up early early I got that dirty mornin

breath

Whoops! My slap in the face again
My friend don't get offended, mm-kay?
I'm the realest girl in the game and no I ain't pretendin
Yeah I got no car but I'm a star okay?
Them seven digits numbers well umm, they're not that
far away
Alright, I don't sing, but I do my thing
I don't dance, I just grin, it's the alien Sovereign

[Chorus]

[Lady Sovereign]
Love me or hate me, love me or hate me
Love me or hate me.. ah ha ha
HA!!!

[repeat 2X]
So I can't dance and I really can't sing, yeah
I can only do one thing and that's be Lady Sovereign

[Chorus] - 2X

[repeat 2X]
Love me or hate me, love me or hate me
Love me or hate me, love me or hate me...
I can only do one thing and that's be Lady Sovereign
