Com' on!

- [Bridge:]

Are you afraid of a new day? [No!]
Where the stars & angels will part ways.
Connected by a heavenly ray. [Ha!]
Sent down to generate change. [Uh!]
You're part of a whole new era! [Yeah!]
Watch us change the worlds arena.
So you might be asking who we are? [Haha!]
We've come from far, descended from the heavens.
We are the the change [Change.] under the stars.

Stars.
Now let's go!

- [Chorus:]

Now let's go!

Stars!
Under the stars!

Stars!
Under the stars!

Stars!
Under the stars!

Stars!
Under the stars!

- [Verse#1:]

Stars!
Under the stars!

I am the son of the stars. [Yeah!]
Never doubt my status!
I am the best of the baddest.
At this! And yeah, I've had it!! [Ha ha!]
Going beastly on a house beat! [Uh!]
Me & petty 'ish just don't meet.
Going bigger, yeah, let me speak!
More than just another party beat!
- A beast, with ambition!
Aggressive for the rest of the nation!
Music fills me with emotion.
The battle cry fills my dedication!
A revolution under the stars.
We are part of a happening!
No! We are the happening! [Yeah!]
Changing the world as we see it! [Ha!]
Stomp the floor tonight so they feel it! [Uh!]
Vibrate the earth 'till they believe it! [Uah!]
Cease the moment! [Yeah!] Take control! [Com' on!]
The stars are ours! [Haa!] Let's go!

- [Chorus:]

Now let's go!

Stars!
Under the stars!

Stars!
Under the stars!

Stars!
Under the stars!

Stars!
Under the stars!
