The library has a swimming pool  
Got an allergy to following rules  
We're headed for a huge collision, with an interstellar  
physician  
He's the type of man you wait for  
Timeless quips and witty rapport

Headed for a huge collision, with an interstellar  
physician  
Cause "bow ties are cool" he said  
Suspend your disbelief  
Come fly with me  
Because "bow ties are cool" he said  
All of space and time  
It could be mine

Sontarans and cybermen  
Somehow the daleks are back again  
We're headed for a huge collision, with an interstellar  
physician  
He's got the TARDIS, sonic screwdriver  
He'll regenerate the world  
He's a survivor  
Headed for a huge collision, with an interstellar  
physician

Cause "bow ties are cool" he said  
Suspend your disbelief,  
Come fly with me  
Because "bow ties are cool" he said  
All of space and time,  
It could be mine

His hopefulness is deadlock sealed  
He's a madman with a box  
He makes it right,  
He makes it real  
Whooooaaaaa

We're headed for a huge collision, with an interstellar  
physician

"Bow ties are cool" he said  
Suspend your disbelief  
Come fly with me  
Because bow ties are cool  
All of space and time  
It could be mine
