[Chorus]

If you ever wanna meet some one  
I forever wanna be the only one, in your life  
Need your body, oh baby, need your body  
Ohhh darling...  
If you ever wanna meet some one  
I forever wanna be the only one, in your life  
Need your body, yeah, yeah, yeah...

[Krayzie]

Now I done been around the planet met plenty women  
but I never met  
One like you, you sue me, ooh, nobody can do me like  
you do we  
Hang out we get high, you roll my blunts up for me, I'm  
feelin' you  
Girl but I know we just homie, but your the kind of girl,  
that'll  
Make a nigga wanna be down the type of girl I need to  
be around  
Not like them other groupy bitches on my dick for  
money, I could  
See it in your eyes your shit is genuine and me and you  
been together  
Whatever, but if your lookin' for a chill nigga hook up  
with a real  
Nigga, it's guaranteed that if you fuck with Kray, y'all,  
never ever  
Wanna go away, so if your lookin' for a nigga that can  
hit it and  
Stay in it never quit it make you feel it when I split it I'm  
a  
Dinner guinea and you'll be happy with a thug like me  
them toughs  
Don't love like me girl they can't fuck like me, like me

[Chorus]

If you ever wanna meet some one  
I forever wanna be the only one, in your life  
I need your body, ohhh, I need your body  
Ohhh darling...

If you ever wanna meet some one  
I forever wanna be the only one, in your life  
I need your body, yeah, yeah, yeah, I need your body

[Layzie]

And I'm a freak and I'm thinkin' this how it's supposed  
to be, it's  
Already been written girl 'posed to be here close to me,

Close up with me you the realest, illest picture perfect  
woman that

Especially sexually, nothin' but the best from me, come

Take your time, and I respect your pimpin', you workin'

But I know you dig a thug your cup of lovers lookin'

It up, is it really worth I really wanna thug, and I need  
your body

[Chorus]

If you ever wanna meet some one  
I forever wanna be the only one, in your life  
I need your body, ohhh, I need your body  
Ohhh darling...

If you ever wanna meet some one  
I forever wanna be the only one, in your life  
I need your body, yeah, yeah, yeah, I need your body

[Bizzy]

Candle lit dinners expensive dishes I'm thuggish  
ruggish the definition  
Of ballin' while dippin' in Columbus, spit game like holy  
water in my  
Saliva, the taste of your tongue comes let me set your  
neck on fire

Smokin' chronic and swishers I am your ex-peal your  
body's beautiful  
Everybody feel you for real, watchin' movies and  
fuckin' close to the  
Sliding door I want you to come with the thunder then  
do it once more I gotta  
Be real, you love me cause I'm such a gangster,  
hoodlum with a ten chances  
Ghetto kid like Jo-Jo Dancer, do you really want the  
handsome while you  
And your man are still beepin' your thinkin' about me  
and he's thinkin'  
Of kickin' it on the weekend always be my damn,  
always be my broad  
No matter how much you fuck 'em you'll always be my  
dog so let me hit it  
From the back one more time, just for old time slap on  
a mag let me go  
For mine, hey

[Chorus]

If you ever wanna meet some one  
I forever wanna be the only one, in your life  
I need your body, ohhh, I need your body  
Ohhh darling...

If you ever wanna meet some one  
I forever wanna be the only one, in your life  
I need your body, yeah, yeah, yeah, I need your body
