[Intro-Chorus]

Bone, Bone, Bone Thugs (Ooooh, how we do it)
Bone, Bone, Bone Thugs (It's all about the music)
Bone, Bone, Bone Thugs (It's all about the music)
Everyday, day, it seems it's gettin' shorter as the world
turns
Round and round, these last day, day so crazy, oh why

Everyday, day, it seems it's gettin' shorter as the world
turns
Round and round, these last day, day so crazy, oh why

Everyday, day, it seems it's gettin' shorter as the world
turns
Round and round, these last day, day so crazy, oh why

[Krayzie]

They tellin' me criminals be crazy and would it be
reason for the
Brutality, they killin' these niggaz in cold blood, Bone
Thug
Been a part of the reality all the insanity they know who
humanity
Whatever happened to family us man we back in the
game back when
The crack came it ain't to much (??) the day seems like
it's never
Gon' get better (better) forever get the love and peace
(peace)
"Day's of our Lives" they keep on gettin' shorter
everytime that I
Realize, telly warn me to long --before-- we wake up
and the world
Is gone, and it won't mean no, world war it'll be
Armagedon for sure
For sure...

[Chorus]

Everyday, day, it seems it's gettin' shorter as the world
turns
Round and round, these last day, day so crazy, oh why

Everyday, day, it seems it's gettin' shorter as the world
turns
Round and round, these last day, day so crazy, oh why

[Wish]

Everywhere we look there's so much violence, violence
and I won't
Makin' no bet I'll quit the riots, riot and you ain't gotta
lose
It's all about the roads that you choose but what is
there to do
When your brought up and stung like ooh and I can see
your pain
Young thugs stay focused cause we can get this money
young thugs
Even though the end of days are comin' (comin') we
can get it right
Right now do somethin' for somebody just hold on for
me I promise
There's a better place for all us t-h-u-g's if he don't
believe
Then, don't call yourself a thugs cause thugs believe
who don't
Believe, who don't believe

[Chorus]

Everyday, day, it seems it's gettin' shorter as the world
turns
Round and round, these last day, day so crazy, oh why

Everyday, day, it seems it's gettin' shorter as the world
turns
Round and round, these last day, day so crazy, oh why

[Layzie]

Sometimes I sit back and I think why me, now how did I
become a
Victim of the struggle everyday tryin' to piece this
puzzle and every
Second I'm out on the hustle I sit and I guzzle hopin'
reality'll
Pass me by, right on by and I'm not gonna sit and lie
how a my life
Has been at fine I could test some reals alot of
determination and
Skills and the death ain't never come easy not when a
nick gotta
Pay these bills I scrape this meal feed this man of the
house
Gotta keep that money comin' gotta be out here doin'

somethin'

Rather than sittin' back broke with nothin' can you feel
me if I

Have to come and get ya, I'm a get ya you gon' feel me
and what did

They say about little Lay he's a ghetto legend niggaz is
out here

Threatened cause I'm headed for Armagedon baby

[Chorus]

Everyday, day, it seems it's gettin' shorter as the world
turns

Round and round, these last day, day so crazy, oh why

Everyday, day, it seems it's gettin' shorter as the world
turns

Round and round, these last day, day so crazy, oh why

[Bizzy]

Back in the day with little Lay and all the Bones we got
to

Scrappin' for pay sometimes I miss when we were kids
is all

Now since ninety-five back when Eazy died of a A-I-D's
oh what a

Disease 'n how many harmony out could it be now
everybody wanna

Keep us twisted you better believe it, little Eazy
whispers

Different gotta keep my distance me payed up on the
buildin' none

Of us used that just don't stop until I get shot, shot
wheelin'

And dealin' me back in the day from the crack lock
yeah I see

Greg roll it I seen bad murder, murders St. Claire as for
the

Industry we're pickin' now, sickin' now and the hard
headed came

To break it down lick it out

[Chorus]

Everyday, day, it seems it's gettin' shorter as the world
turns

Round and round, these last day, day so crazy, oh why

Everyday, day, it seems it's gettin' shorter as the world
turns

Round and round, these last day, day so crazy, oh why
