Girl you gotta know what you're doing to me,

When your giving me a sexy figure don't ever change
what you do with your body,

It feels so beautiful and its so right,

This girl shes goin on with us every night,

I can't hold back so its one in the hole,

You can just call me kid dynamite wit' your love.

Sweeter than honey,

Girl it funny got me open wide the word to my dollar
bill,

Thats where I'm putting my money girl you know...

You know its the bomb diggy diggy when we get jiggy,

let me piggy back ride on it all night long,

While I'm singing my song,

All through the hootie hootie wanna get that goodie
goodie,

You know its the bomb diggy diggy,

Bomb bomb diggy can I get some,

Up your bomb diggy,

Jello jello goodie chuck a bootie,

Wanna get a little bit of your goodie goodie,

Goodie goodie.

Your loves so supernatural,

You got me chasing after ya,

I'll go wherever you are,

Just tell me and I'll be packing up,

I'll be your Jonny Mack of love,

Travelling from hood to hood,

Anyplace anytime coz your love makes me feel so good.

Oh baby,

Sweeter than honey,

Girl it funny got me open wide the word to my dollar bill,

Thats where I'm putting my money girl you know...

You know its the bomb diggy diggy when we get jiggy,

let me piggy back ride on it all night long,

While I'm singing my song,

All through the hootie hootie wanna get that goodie goodie,

You know its the bomb diggy diggy,

Bomb bomb diggy can I get some,

Up your bomb diggy,

Jello jello goodie chuck a bootie,

Wanna get a little bit of your goodie goodie,

Goodie goodie.

So good,

Oh it feels so good when your love comes down on me,

So good,
Blowing my mind got me goin crazy,
So good,
Oh it's so good to me,
So good,
Ohhh oh baby baby,
You know its the bomb diggy diggy when we get jiggy,
let me piggy back ride on it all night long,
While I'm singing my song,
All through the hootie hootie wanna get that goodie
goodie,
You know its the bomb diggy diggy,
Bomb bomb diggy can I get some,
Up your bomb diggy,
Jello jello goodie chuck a bootie,
Wanna get a little bit of your goodie goodie
