"Mercy"

We share your tears and we share your laughter
We share your dreams and we feed your fear
We will be gone in the morning after
The break of dawn makes us disappear

We share your lust, but we feel no passion
We need to fill our emptiness
We make you burn and we take your flashes
We must because of your willingness

So cry mercy
Have mercy
Have mercy
Have mercy

We are the ones sitting on your shoulder
We are the ones perching on your chest
We are the ones making the world colder
You may find sleep but you find no rest

Oh, have mercy
Have mercy
Have mercy
Have mercy

Eleison, Eleison, Eleison
Eleison, Eleison, Eleison

We are the ones sitting on your shoulder
We are the ones perching on your chest
We are the ones making the world colder
You may find sleep but you find no rest

Oh, have mercy
Have mercy
Have mercy
Have mercy
Have mercy
Have mercy
Have mercy
Have mercy
