Ghetto mindstate!  
At 15 I was making moves  
Drinking bich shooting dice in skoo  
when most nikkas had a 95 shit  
on the block we making 95 grand...  
each day yeah we got cheap yey (holla)  
My niggas on lock they called me on 3 way  
The hood hot like a crock pop  
Dopefinnes cutting yard for a 20 piece of crack rock  
Around my way aint nobody watching matt lock  
We trynna hot wire cars and brake pad locks  
Turn South the hard droppin in glad locks  
In drop flashy cars and get mad props  
And still I wont change  
Last week they caught my patna with a block of caine  
And can't no amount of money stop the pain  
They gave him 35 years his momma went insain

(Chorus - 2x)

(Lil' Flip)  
Ghetto mindstate!  
Coming up whit no farther figuere  
I guezz that made me a harder nigga (why?)  
Cuz I dont like to ask for shit  
When I came in the game whit a half a brick (yes!)  
But aint telling Lil kids to go dat route  
But is on TV everyday like they dont know dat route

And Lil girls being fast  
Being grown trynna Flirt  
Leaving home wearing pants  
then changing to a skirt

Run up grown Im spraying the metal  
Cuz aint shit sweet around my way  
All I know is one thang how to get paid (yeah!)  
Well Lyfe on the hook I know we got another hit  
This motivation to musik

(Chorus - 2x)

(Lil' Flip)  
Why everybody trynna bring me down  
because of me they respect H-town  
Look I was here when yall wouldnt around  
The first week you did a ight  
that shit went down  
Why everybody trynna bring me down  
because of me they respect H-town  
Look I was here when yall wouldnt around  
The first week you did a ight

(Lyfe Jennings)
