Hey [x3]

[Intro: Lil Mama]

The way we get loose  
We move our shouldaz  
Foward  
Heads back  
Get it in control  
Like Janet Jack  
Get it on da flo  
Let em kno What's Happenin

[Verse 1: Lil Mama]

L.I.L You betta ask somebody  
I been on my grind since butt-touch-potty  
Ya'll don't really want it with the Yung God Toddla  
With a flo so spec like technolotta  
It's... so sick  
How da clock go tick  
Keep given ya'll hit like techmatic UH!  
It's the reason why I spit it  
How I spit  
When I spit it's like mucus  
Gotta get rid of it

These chicks don't pop like me  
Uncompatible girl  
No comparing me  
And!  
Ain't none of ya'll scarin me  
Like don't cha wish ya girl was as bad as me YEAH!  
With a flow so sick like Twista's  
So sweet  
It can be cold like a Mystic  
Instincts come so smooth  
Like what is it?  
BK-H-DUB OURS LIKE A WiZARD

[Chorus: Chris Brown]

Shawty get loose!  
Baby do what chu do

Lemme see ya let down your hurr  
Shawty get loose!
