[Lil' Kim]

.. My Aunt Dot

left a glock and some blood on my sheets

Told me clean the shit up, then she hit the streets

Even though I'm her niece, she copped me a piece

Wack-ass caliber, nickel-plated with the silencer

What? She don't know I like my guns pretty?

Like my boy Castor Troy with the twin-glizzies

I heard a knock at the door { *knock knock knock knock
knock* }

To my surprise I saw these two familiar eyes

Who are you?

[Lil' Shanice]

Whattup? I'm Shanice, don't remember me?

[Lil' Kim]

She called me by my government name, Kimberly

Who sent you?

[Lil' Shanice]

My mom sent me; her name is Dottie

She packed a note in my knapsack along with a shottie

[Lil' Kim]

Hmmph, she was cute; and mad fly

She had the Prada knapsack, with the hat to match

Bavari hiking boots, with the mink bubblegoose

and I could see she was admiring my Minski suit

Then she handed me the note

[Lil' Shanice]

Here - read this

[Lil' Kim]

I just stared her up and down

cause I couldn't believe this - then I opened it

It said, "Bitches is out to get you;

your so-called friends, put a bomb in your Benz.

I'm on a mission now to do some harm to your friends.

They know where you live, so evacuate the crib.

And oh, the little girl, that's your cousin Shanice.
Since I can't be with her, I need you to babysit her.
Besides; she looks up to you - you're her idol -
and tomorrow is her first violin recital,
and she would be more than happy if you could take
her.
Peace, my number's on the back of the paper, hit me
later."
Damn.. what went wrong?
Can't we all just get along, and make hit
