Uh huh, No homo, Young Moolah baby

So I let her lick the rapper
[She lick me like a lollipop - 4X]

[Chorus 2X: Static Major]

Shawty want a thug
Bottles in the club
Shawty wanna hump
You know I love to touch her lovely lady lumps

[Lil Wayne]

Okay, lil mama had a swag like mine
She even wear her hair down her back like mine
I make her feel right when it's wrong like lying
Man, she ain't never had a move like mine
But man, I ain't never seen an ass like hers
That pussy in my mouth had me lost for words
So I told her to back it up like burp, burp
And made that ass jump like jerp, jerp
And that's when she

[Pre-Chorus: Static Major]

She lick me like a lollipop - 4X
