Baby
Baby, you can do magic
Baby, isn't it tragic
Maybe you can do something
I can't
And I can't get enough of it
Baby, you can do wonders
Maybe you can do something
I can't
So don't stop doing it
Don't stop doing it

Baby, you can do wonders ...

Just a notion
Just a notion - that's all
Just a feeling that you're watching me
Aah, every move I'm making
Am I reading your mind
'cause it's almost like your touching me
Aah, there is no mistaking

Just a notion
That you'll be walking up to me in a while
And you smile and say: "hello" and
We'll be dancing through the night
Knowing everything from there on must be right

Just a notion
But somehow I know I'm not wrong
If it's our destiny
There's nothing we can do
And tonight is very special

It's the night for me and you

Är det bra?

Det tycker jag vi kan ha va?

Det Är lite ovanligt sÄ dÄr ocksÄ?

Ja, det Är det va. I alla fall nufÄrtiden.

Javisst!

Alla...60 miljoner skivor ska brytas!

Rikky rock 'n' roller

Rikky rock'n' roller

Now that you're the headline

Dum dum dum dum dum-ee-doo-aa

Rikky rock'n' roller

Don't it make you feel fine

Dum dum dum dum dum-ee-doo-aa

Is it true

To hear the fans scream

To stand in the lights

Is just like a dream

What a dream

To be what you are

A rock'n' roll star

To make such a lot of money

Would be funny

Oh, I wish I could be like you

Rikky rock'n' roller

Today a new jet plane

Tonight it's a new hotel

You live in your own world

You're under a magic spell

Rikky rock'n' roller

Now that you're the headline

Dum dum dum dum dum-ee-doo-aa

Rikky rock'n' roller

Don't it make you feel fine

Dum dum dum dum dum-ee-doo-aa

Is it true (rock'n' roller) to hear the fans scream

To stand in the lights

Is just like a dream (rikky rock'n' roller)

What a dream (rock'n' roller)

To be what you are

A rock'n' roll star

To make such a lot of money

Would be funny

Oh, I wish I could be like you

Rikky rock'n' roller

Dum dum dum dum dum-ee-doo-aa

Oh, I wish I could be like you
Rikky rock 'n' roller
Dum dum dum dum dum-ee-doo-aa

Oh, I wish I could be like you
Rikky rock'n' roller
Dum dum dum dum dum-ee-doo-aa

En, tvÄ¥, en, tvÄ¥ , tre

Burning my bridges
And you hoo and you holler and you make me mad
And I've always been under your heel
Holy christ what a lousy deal

Now I'm sick and tired of your tedious ways
And I ain't gonna take it no more
Oh, no no, walking out that door

Burning my bridges, cuttin' my tie
Once again oughta look into the eye
Being myself, having my pride
No one, baby, is gonna take me for a ride

Burning my bridges, moving at last
Girl I'm leaving and I'm burying the past
Wanna have peace now, we can be free
No one here will make a sucker out of me

Some people long for berlin and barcelona
They yearn for paris, madrid and rome

And I know some who prefer arizona
And some prefer home
There's only me who is dying to see ...

Hamlet iii part 1
(instrumental)

Hamlet iii part 2
When the autumn leaves are falling to the ground
When the air gets cold
Then I think of us, of you and i
And it almost makes me cry

So sad and kind of bitter sweet
And the memories filled with tears
And I fear my heart will break
Guess it all was my mistake
Autumn's chilling winds were blowing through the trees
And rain fell softly on your face
Oh I remember every little thing about that day
I remember every place

Grey skies, you were laughing at the clouds
And rain fell softly on your face
The memories of our time together cannot be replaced
I never loved you more than on those happy autumn
days

Det rÃ¤cker dÃ¤r
Ja
Nu hÃ¥r jag alltsÃ¥ vÃ¤ldigt lite frida!

Free as a bumble bee
I'm down
And I feel depressed

Sitting here
Just waiting
For next bus traveling
Down town
It's a cry and a shame
Isn't it
A beautiful weather?
If I could have my way
Well, I would not be working
On a day like this
I know what I like to be

As free
As a bumble bee
Take a zip of
Every flower
Free
As a bumble bee
What a way
Each lazy hour

What a good life
Lying laid back
Like an old railroad bum by the track
What a good life
Living outdoors
Lie in the grass and chew on a straw

Rubber ball man
A poster on the wall
Of a dear friend
I wish there was a way that I could show you
How your songs set me free

The hero of them all
You're a legend
I guess I never get a chance to know you
Still you're close as can be

Make the band stand
To a dream land, rubber ball man
Clapping your hands
And your feet dance, rubber ball man
When you're jumping up and down, nobody's standing
still
Some of us screaming
Some of us dreaming
Look at your fans
How we love you, rubber ball man

Look at your fans

How we love you, rubber ball man
Look at your fans
How we love you, rubber ball man

Crying over you
I'm waiting for you, baby
I'm sitting all alone
I feel so cold without you
It chills me to the bone
I never thought you'd leave me
But now I know it's true
Oh, lord I'm blue
I'm crying over you

I'm waiting for you, baby
I'm sitting all alone
I feel so cold without you
It chills me to the bone
I never thought you'd leave me
But now I know it's true
Oh, lord I'm blue
I'm crying over you

Crying over you
I'm crying over you
Crying over
Little memories
Of things we used to do
Oh, lord I'm blue
I'm crying over you

Oh, lord I'm blue
I'm crying over you

Oh, lord I'm blue
I'm crying over you

HÅrrligt!

Just like that
Just like that
He walked into my house as smug as a cat
He was handsome and smart
Walked away with my heart

Just like that
He found a temporary home in my flat
Telling innocent lies
Throwing dust in my eyes

But I lead him on
Knowing that someday soon he'd be gone

Just like that
As though he'd only stopped a while for a chat
But my secrets he learned
Leaving no stone unturned

Just like that
He walked into my house as smug as a cat
He was handsome and smart
Walked away with my heart

Just like that
As though he'd only stopped a while for a chat
But my secrets he learned
Leaving no stone unturned

Just like that

DÃ¥ kÃ¶r vi dÃ¥
GÃ¥r bandet?
Givin' a little bit more
There's a gentleness to everything you do
And it's rubbing off on me, I feel it too
I'm a victim of my loneliness, I guess
When you call me on the phone
And I'm feeling so alone
When you ask me to come over, baby
You know I will
I could never stay on my own

Givin' it all I got to give
I've never done that before
I'm always givin' a little more
When I'm with you

Givin' it all I got to give
I've never done that before
I'm always givin' a little more
When I'm with you

And I'm always givin' a little more
When I'm with you

Givin' it all I got to give
I've never done that before

I'm always givin' a little more
When I'm with you

Givin' it all I got to give
I've never done that before
I'm always givin' a little more

Thank you for the music
