My oh my, oh boy oh boy
Lover, can I be your toy?
Can't be without you
You know that it's true
Baby, have I got a crush on you

Gimme this, gimme that
You boss me around
You're a teaser, you're a brat
The devil's pet daughter
But I'm stuck where I am
A ship run aground
You're a shark that's circling
Round me in the water

You devour me with ease
I just cannot get away now
I could stoop to anything to please
So gimme all you got is what I pray now

Boy oh boy, oh my oh my
I'm so happy I could cry
Don't ever stop it whatever you do
Have I got a crush on you

My oh my, oh boy oh boy
Lover can I be your toy?
Can't be without you
You know that it's true
Baby, have I got a crush on you

Gimme this, gimme that
You drive me insane
When you purr like a cat
I'm at the end of my tether
And I would throw you out
If I had a brain
But in the end you knock me
Down with a feather

And you know it all too well
I just cannot get away now

You are heaven to me
You are hell
But gimme all you got is what I pray now

Boy oh boy, oh my oh my
I'm so happy I could cry
Don't ever stop it whatever you do
Have I got a crush on you

My oh my, oh boy oh boy
Lover can I be your toy?
Can't be without you
You know that it's true
Baby, have I got a crush on you
