Oh, my love it makes me sad.  
Why did things turn out so bad?  
Was it just a dream, everything we did, everything we  
had?

Baby, give me one more  
Dance while the music still goes on  
Don't think about tomorrow  
Dance and forget our time is gone  
Tonight's a night we borrow.  
Let's make it a memory, a night of our own  
A thing to remember when we're all alone  
So dance, it's our way to say goodbye

Yes, all we have to do is  
Dance while the music still goes on  
This is no time for crying  
Dance, don't you hear them play our song  
God knows that we've been trying  
But we didn't make it 'cause nothing's the same  
We just couldn't help it, nobody's to blame  
So dance while the music still goes on  
And let it be our last goodbye

Yet it seems to make me sad.  
Why did things turn out so bad?  
Was it just a dream, everything we did, everything we  
had?

Baby, give me one last  
Dance while the music still goes on

Just like the night I met you  
Dance and believe me, when you're gone  
You know I won't forget you  
Our love was a snowbird, it's flying away  
You tell me it's over, what more can I say?  
So dance while the music still goes on  
It's gonna be our last goodbye

Dance while the music still goes on  
Don't think about tomorrow

Dance and forget our time is gone  
Tonight's a night we borrow.  
Let's make it a memory, a night of our own  
A thing to remember when we're all alone  
So dance while the music still goes on  
And let it be our last goodbye

Dance while the music still goes on  
This is no time for crying  
Dance, don't you hear them play our song  
God knows that we've been trying  
Dance while the music still goes on  
Just like the night I met you  
Dance and believe me, when you're gone  
You know I won't forget you
