Changing, moving, in a circle
I can see your face in all of my dreams
Smiling, laughing, from the shadows
When I hear your voice, I know what it means

I know it doesn't matter just how hard I try
You're all the reason for my life
Disillusion, disillusions all you left for me

How can I forget you
When my world is breakin' down
You're all I had, you're all I want
Disillusion, disillusions now, that's all I have

Wishing, hoping, chasing shadows
Did I see your face somewhere in the crowd?
Thinking, wondering, what you're doing
I can't stop myself from crying out loud

They say my wound will heal and only leave a scar
But then, they never shared our love
Disillusion, disillusions all you left for me

How can I forget you
When my world is breakin' down
You're all I had, you're all I want
Disillusion, disillusions now, that's all I have
Disillusion, disillusions now, that's all I have
