They came flying from far away, now I'm under their  
spell

I love hearing the stories that they tell  
They've seen places beyond my land and they've  
found new horizons  
They speak strangely but I understand

And I dream I'm an eagle  
And I dream I can spread my wings  
Flying high, high, I'm a bird in the sky  
I'm an eagle that rides on the breeze  
High, high, what a feeling to fly  
Over mountains and forests and seas  
And to go anywhere that I please

As all good friends we talk all night, and we fly wing to  
wing  
I have questions and they know everything  
There's no limit to what I feel, we climb higher and  
higher  
Am I dreaming or is it all real?

Is it true I'm an eagle?  
Is it true I can spread my wings?

Flying high, high, I'm a bird in the sky  
(I'm an eagle)  
I'm an eagle that rides on the breeze  
High, high, what a feeling to fly  
(What a feeling)  
Over mountains and forests and seas  
And to go anywhere that I please

And I dream I'm an eagle  
And I dream I can spread my wings  
Flying high, high, I'm a bird in the sky  
(I'm an eagle)  
I'm an eagle that rides on the breeze  
High, high, what a feeling to fly  
(What a feeling)  
Over mountains and forests and seas  
Flying high, high, I'm a bird in the sky

(I'm an eagle)  
I'm an eagle that rides on the breeze  
High, high, what a feeling to fly  
(What a feeling)  
Over mountains and forests and seas  
And to go anywhere that I please
