I had a dream, there was a rainbow,
Over the mountains, over the sea

Just you and me, we were go walking together,
Watching the sunrise over the trees

Wa-Oo-Wa-Oo-Wa
Wa-Oo-Wa-Oo

Fantasy Island, you know we have a dream but
True love, holding us together
Starshine, Fantasy Island
You know I wish that we could stay like this forever
Fantasy Island, you know we have a dream but
True love, holding us together
Star shine, Fantasy Island
You know I wish that we could stay like this forever

People like me, can always believe in
Love on an island surrounded by sea

We had a dream, of love never liven
But I know that love can't live in a dream

Wa-Oo-Wa-Oo-Wa
Wa-Oo-Wa-Oo

Fantasy Island, you know we have a dream but
True love, holding us together

Star shine, Fantasy Island
You know I wish that we could stay like this forever
Fantasy Island, you know we have a dream but
True love, holding us together
Star shine, Fantasy Island
You know I wish that we could stay like this forever

A-ha, have it all seems like magic (Have it all seems
like magic)
Oh yeah (A-ha)
Dreams can come true (Dreams can come true),
(Dreams can come true-oo)

Fantasy Island, you know we have a dream but
True love, holding us together
Star shine, Fantasy Island
You know I wish that we could stay like this forever
Fantasy Island, you know we have a dream but
True love, holding us together
Star shine, Fantasy Island
You know I wish that we could stay like this forever

Fantasy Island, you know we have a dream but
True love, holding us together
Star shine, Fantasy Island
You know I wish that we could stay like this forever
Fantasy Island, you know we have a dream...
