Get on the carousel
get on the carousel
get on
the roundabout is just beginning
get on
it's fun to see the world a-spinning
get on the carousel
get on the carousel
get on
your happiness is waiting for you
get on
be famous, let the world adore you
get on the carousel
get on the carousel

I feel so dizzy I wanna go
Listen!
Now I don't think I can take much more

So can't you tell 'em to make it slow
Listen!
I want the speed that I had before

I'm feeling sick and I wanna stop
Spinning!
So won't you let me get off this thing?

I got a feeling I reached the top
Spinning!
I only wanted to dance and sing

The roundabout is just beginning
get on
it's fun to see the world a-spinning
get on the carousel
get on the carousel
get on
your happiness is waiting for you
get on
be famous, let the world adore you

get on the carousel

get on the carousel

I feel so dizzy I wanna go

Now I don't think I can take much more
