You say she's been mad at you
Then you say you'll be patient
Still I see that she makes you blue
Come on, I'd give you consolation

Gonna sing you my lovesong
Gonna bring you some light
Wanna make you feel happy
Every day of your life

Gonna sing you my lovesong
Gonna make it all right
You're all I ever need my darling

Just to be where you wanna be
So much fun we could have then
To be yours for eternity
What a miracle to happen

Gonna sing you my lovesong
Wanna sing it for you
Gonna give you sweet lovin'
Gonna give myself too

Wanna sing you my lovesong
When I think about you
I know she doesn't make it easy
'Cause you don't please her, like you please me

You're my love, you're my angel
You're my first, you're my last
Would she care if you linger for another night
Wanna hold you tight, we could make it right

Gonna sing you my lovesong
Gonna bring you some light
Wanna make you feel happy
Every day of your life

Gonna sing you my lovesong
Gonna make it all right
I know she doesn't make it easy

Gonna sing you my lovesong
Wanna sing it for you
Gonna give you sweet lovin'
Gonna give myself too

Wanna sing you my lovesong
When I think about you
You're all I ever need my darling
And I would love to sing my lovesong for you
