I am just a girl, one among the others  
Nothing much to say  
Plain and simple girl  
Not a special type in any way

Just one look and you will surely see  
That the true Miss Nobody is me  
It's an evil world  
That has only made me a girl

I am just a girl, not the kind of woman  
Men would like to meet  
Just another girl, no one  
Ever looks at in the street

But today, I can't believe it's true  
When you smiled  
And whispered, "I love you"  
Darling I could see, I was meant to be your girl

It's a funny feeling  
When you get to love someone  
And thinking that  
He'll never look your way

But then he says he loves you  
And life has just begun  
It's so much more than  
Any words can say

I am just a girl, not the kind of woman  
Men would like to meet  
Just another girl, no one  
Ever looks at in the street

But today, I can't believe it's true  
When you smiled  
And whispered, "I love you"  
Darling I could see, I was meant to be your girl

But today, I can't believe it's true  
When you smiled

And whispered, "I love you"  
Darling, I could see, I was meant to be your girl
