I've been cheated by you since I don't know when
So I made up my mind, it must come to an end
Look at me now, will I ever learn
I don't know how but I suddenly lose control
There's a fire within my soul
Just one look and I can hear a bell ring
One more look and I forget everything

Jajja Jia, here I go again
My my, how can I resist you
Jajja Jia, does it show again
My my, just how much I've missed you
Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go
Jajja Jia, now I really know
My my, I could never let you go

I've been angry and sad about things that you do
I can't count all the times that I've told you we're
through
And when you go, when you slam the door
I think you know that you won't be away too long
You know that I'm not that strong
Just one look and I can hear a bell ring
One more look and I forget everything

Jajja Jia, here I go again

My my, how can I resist you
Jajja Jia, does it show again
My my, just how much I've missed you
Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go
Jajja Jia, even if I say
Bye bye, leave me now or never
Jajja Jia, it's a game we play
Bye bye doesn't mean forever

Jajja Jia, here I go again
My my, how can I resist you

Jajja Jia, does it show again
My my, just how much I've missed you
Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go
Jajja Jia, now I really know
My my, I could never let you go
