No more carefree laughter  
Silence ever after  
Walking through an empty house, tears in my eyes  
Here is where the story ends, this is goodbye

Knowing me, knowing you (ah-haa)  
There is nothing we can do  
Knowing me, knowing you (ah-haa)  
We just have to face it, this time we're through  
(This time we're through, this time we're through  
This time we're through, we're really through)  
Breaking up is never easy, I know but I have to go  
(I have to go this time  
I have to go, this time I know)  
Knowing me, knowing you  
It's the best I can do

Mem'ries (mem'ries), good days (good days), bad  
days (bad days)

They'll be (they'll be), with me (with me) always  
(always)  
In these old familiar rooms children would play  
Now there's only emptiness, nothing to say

Knowing me, knowing you (ah-haa)  
There is nothing we can do  
Knowing me, knowing you (ah-haa)  
We just have to face it, this time we're through  
(This time we're through, this time we're through  
This time we're through, we're really through)  
Breaking up is never easy, I know but I have to go  
(I have to go this time  
I have to go, this time I know)  
Knowing me, knowing you  
It's the best I can do
