I wasn't jealous before we met  
Now every woman I see is a potential threat  
And I'm possessive, it isn't nice  
You've heard me saying that smoking was my only vice

But now it isn't true, now everything is new  
And all I've learned has overturned, I beg of you

Don't go wasting your emotion  
Lay all your love on me

It was like shooting a sitting duck  
A little small talk, a smile and baby I was stuck  
I still don't know what you've done with me  
A grown-up woman should never fall so easily

I feel a kind of fear when I don't have you near  
Unsatisfied, I skip my pride, I beg you dear

Don't go wasting your emotion  
Lay all your love on me

Don't go sharing your devotion  
Lay all your love on me

I've had a few little love affairs  
They didn't last very long and they've been pretty  
scarce  
I used to think that was sensible  
It makes the truth even more incomprehensible

'Cause everything is new, yeah and everything is you  
And all I've learned has overturned, what can I do?

Don't go wasting your emotion  
Lay all your love on me  
Don't go sharing your devotion  
Lay all your love on me

Don't go wasting your emotion  
Lay all your love on me  
Don't go sharing your devotion

Lay all your love on me

Don't go wasting your emotion

Lay all your love on me
