Sometimes when I'm mad  
There's a part of me  
That seems to be a little sad  
Sometimes when I scream  
There's a voice in me that says  
"You shouldn't be so mean"  
Oh no oh no

Part of me is acting  
While the other stands beside  
Yes I am to myself  
What Jekyll must have been to Hyde

We're like sun and rainy weather  
Sometimes we're a hit together  
Me and I  
Gloomy moods and inspiration  
We're a funny combination  
Me and I

I don't think I'm different  
Or in any way unique  
Think about yourself for a minute  
And you'll find the answer in it  
Everyone's a freak

Sometimes I have toyed  
With ideas that I got  
From good old Dr Freud  
Nothing new of course  
It may seem to you  
I try to break through open doors  
Oh no oh no

I just wanna say  
A lot of that applies to me  
'Cause it's an explanation  
To my split identity

We're like sun and rainy weather  
Sometimes we're a hit together  
Me and I

Gloomy moods and inspiration  
We're a funny combination  
Me and I

I don't think I'm different  
Or in any way unique  
Think about yourself for a minute  
And you'll find the answer in it  
Everyone's a freak

Me and I  
We're like sun and rainy weather  
Sometimes we're a hit together  
Me and I  
Gloomy moods and inspiration  
We're a funny combination  
Me and I

I don't think I'm different  
Or in any way unique  
Think about yourself for a minute  
And you'll find the answer in it  
Everyone's a freak

We're like sun and rainy weather  
Sometimes we're a hit together  
Me and I  
Gloomy moods and inspiration  
We're a funny combination  
Me and I
