Every day in the morning on her way to the office
You can see as she catches a train
Just a face among a million faces
Just another woman with no name
Not the girl you'd remember but she's still something
special
If you knew her I am sure you'd agree
'Cause I know she's got a little secret
Friday evening she turns out to be

Nina, pretty ballerina, now she is the queen of the
dancing floor
This is the moment she's waited for
Just like Cinderella, just like Cinderella
Nina, pretty ballerina, who would ever think she could
be this way
This is the part that she likes to play
But she knows the fun would go away
If she would play it every day

So she's back every morning to her work at the office
And another week to live in a dream
And another row of early mornings
In an almost never-ending stream
She don't talk very often, kind of shy and uncertain
Everybody seems to think she's a bore
But they wouldn't know her little secret
What her Friday night would have in store

Nina, pretty ballerina, now she is the queen of the
dancing floor
This is the moment she's waited for
Just like Cinderella, just like Cinderella
Nina, pretty ballerina, who would ever think she could
be this way
This is the part that she likes to play
She would like to play it every day

Nina, pretty ballerina, now she is the queen of the
dancing floor
This is the moment she's waited for

Just like Cinderella, just like Cinderella
Nina, pretty ballerina, who would ever think she could
be this way
This is the part that she likes to play
