All the way back in history  
how the girl thinks is a mystery  
spent our lives cruising the bars  
venus girls and the men from mars  
So in all this time did you ever think do the girls sees  
red  
when a man sees pink  
and your best lovin is in the past and cause somewhere  
slow is nowhere fast

Your Outta your head  
so out of your head  
stay out of your head...  
your out of your head  
so out of your head

bricka bracka firecracker sis boom bah  
here comes trouble in a push up bra  
his style is sharp as a coffin tack  
but out of your box & your way off track  
your a mile away on a mental binge  
your catasphrophe is of a lunatic fringe  
your still put together its tit for tat  
you say its all good but its more than that

Your Outta your head  
so out of your head  
stay out of your head.....  
No out of your head  
so out of your head  
stay out of your head

So in all this time did you ever think think think think  
Your Outta your head  
so out of your head  
stay out of your head.....  
No out of your head  
so out of your head stay out of your head
