Summer night city
Summer night city

Waiting for the sunrise, soul dancing in the dark
Summer night city
Walking in the moonlight, love-making in the park
Summer night city

In the sun I feel like sleeping
I can't take it for too long
My impatience slowly creeping
Up my spine and growing strong
I know what's waiting there for me
Tonight I'm loose and fancy-free, aa-ahhh

When the night comes with the action
I just know it's time to go
Can't resist the strange attraction
From that giant dynamo
Lots to take and lots to give
Time to breathe and time to live

Waiting for the sunrise, soul dancing in the dark
Summer night city
Walking in the moonlight, love-making in the park
Summer night city

It's elusive party feeling
Somehow something turns me on
Some folks told me see them in it
We don't miss them when they're gone
Another feeling in the air

My kind of people everywhere

When the night comes with the action
I just know it's time to go
Can't resist the strange attraction
From that giant dynamo
And tomorrow when it's dawning
And the first birds start to sing
In the pale light of the morning

Nothing's worth remembering
It's a dream, it's out of reach
Scattered driftwood on the beach

Waiting for the sunrise, soul dancing in the dark
Summer night city
Walking in the moonlight, love-making in the park
Summer night city

Waiting for the sunrise, soul dancing in the dark
Summer night city
Walking in the moonlight, love-making in the park
Summer night city

Waiting for the sunrise, soul dancing in the dark
Summer night city
Walking in the moonlight, love-making in the park
Summer night city

Waiting for the sunrise, soul dancing in the dark
Summer night city
