Heres to us one more toast and then well pay the bill
Deep inside both of us can feel the autumn chill
Birds of passage, you and me
We fly instinctively
When the summers over and the dark clouds hide the
sun
Neither you nor Im to blame when all is said and done

In our lives we have walked some strange and lonely
treks
Slightly worn but dignified and not too old for sex
Were still striving for the sky
No taste for humble pie
Thanks for all your generous love and thanks for all the
fun

Neither you nor Im to blame when all is said and done

Its so strange when youre down and lying on the floor
How you rise, shake your head, get up and ask for
more
Clear-headed and open-eyed
With nothing left untried
Standing calmly at the crossroads, no desire to run
Theres no hurry any more when all is said and done

Standing calmly at the crossroads, no desire to run
Theres no hurry any more when all is said and done
