I'm the hottest thing to hit the block since the CL-5,

from CO to ATL I keeps it live

Like a fresh pair of 23's

Once seen, N\*\*\*\*s can't get

enuff of me, my team,

gettin this paper from all angles,

which means, everybody got

a triangle, Ya heard me?

I'm the truth like beans

and when it comes to teens

in this rap thing you lookin at the lock

not to mention that I'm hot

Yea u already know

and I shut down the spot

wherever I go

Call me the Tiger Woods of this

young an explosive,

I come w/ the dopest flow

of 13 like whoa

2nd Verse

Lil' man w/ the big checks

Lil' man thas got big girls  
wantin to teach me about sex  
I don't care who commin  
cuz I'm here now  
A hundred miles of runnin  
LIL BOW WOW  
Drop bombs like FLEX,  
constantly, and at 6:00  
you can find me on Craig Street  
Can't wait til I can see  
what the club be 'bout  
Can't wait to get a whip  
so I can dub it out--  
I like no Gold,  
I rock Cornrows  
the only way I know  
to hit the block is on swoles  
Can neva get enuff doe  
so I keep grinin  
so I can keep shinin  
and big timin like Baby...  
3rd Verse  
Now my water's too deep  
for yall cats to swim  
so if u coppin me

I dissin u like Eminem  
I mean- straight to ya face  
Or live on TV  
I might look cute but it's the dog in me  
That makes me wanna tare it up,  
everything in sight,  
jump from girl to girl  
and stay out all nite  
I'm little, but I get my mack on  
With my nick-nack paddy wack  
def back bone  
got everybody at home  
glued to they tube,  
waitin to see  
what I drive thru like Clue  
cuz when I do what I do  
I breaks the bank  
cuz a dog ain't a dog  
without a pile of rank  
uh
