I'm in the mood for love

Simply because you're near me

Funny, but when you're near me

(I'm in the mood for love)

Heaven is in your eyes

Bright as the stars we're under

Oh, is it any wonder?

(I'm in the mood for love)

(Why stop to think of whether)

(This little dream might fade?)

(Let's put our hearts together)

Now we are one, I'm not afraid

If there's a cloud above

If it should rain, we'll let it

But, for tonight, forget it

(I'm in the mood for love)

(Why stop to think of whether)

(This little dream might fade?)

(Let's put our hearts together)

Now we are one, I'm not afraid

If there's a cloud above

If it should rain, we'll let it
But, for tonight, forget it
I'm in the mood Hope you're in the mood For love
