Every word on your lips is crystal clear  
Don't you bother, I swear, I won't be there.  
Read between all the lines,  
And you'll find what you've left behind.

TURNING MY BACK ON YOU DOESN'T SEEM TO WORK.  
Everything you've built up in me, all the time and all the  
effort.  
BUT WITH EVERY KISS YOU SPILLED POISON ON MY LIPS.  
Still something inside my guts, tells me you're the one  
to trust.

THERE IS NO WAY OUT.  
THERE IS NO SYMPATHY.  
THERE IS NO WAY OUT.  
THERE IS NO REMEDY.

This is the product of your selfishness,  
This is a chessboard and it's your time to turn.

This is the payment for your recklessness.  
You let your bridges burn. Learn baby, learn.

Something in your company  
Made everything so damn clear to me.  
You made me believe in everything I see.  
You made me believe in me.

THERE IS NO WAY OUT.  
THERE IS NO SYMPATHY.  
THERE IS NO WAY OUT.  
THERE IS NO REMEDY.

This is the product of your selfishness,  
This is a chessboard and it's your time to turn.

This is the payment for your recklessness.  
You let your bridges burn. Learn baby, learn.

LEARN BABY, LEARN.  
THIS IS THE TIME TO WASH THE BLOOD OFF OUR

HANDS.  
LEARN BABY LEARN.  
I WONT BE BACK AGAIN.

LEARN BABY, LEARN.  
THIS IS THE TIME TO WASH THE BLOOD OFF OUR  
HANDS.  
LEARN BABY LEARN.  
I WONT BE BACK AGAIN.

If you wonder why we're lost,  
It is all about the trust.  
This is what we've scattered,  
If it matters.

This is the payment for your recklessness.  
You let your bridges burn. Learn baby, learn.

This is the payment for your recklessness.  
You let your bridges burn. Learn baby, learn.

I hope you learn!  
I hope you learn!
