Let's make a compromise, compromise,  
And I will settle down my alibies.  
And pick the pieces off the floor,  
And walk right through the door.

You don't seem to realise, realise,  
You have to sacrifice.  
Just to make it right through the fight.  
You got to pay the price now.

Babe, babe, babe you made me so vulnerable.  
Oh, oh!  
Maybe, babe, babe I am miserable.  
Oh, oh!

So why are you so heartless, heartless?  
You crushed down all of my dreams.  
What are you afraid of, afraid of?  
You know my every fear.

Why is this so hard for you to explain?  
What do you expect from me?  
Why can't you see, can't you see?  
You can hardly breathe.

Babe, babe, babe you made me so vulnerable.  
Oh, oh!  
Maybe, babe, babe I am miserable.  
Oh, oh!

Where are we supposed to go,  
When we can't go home?  
Where are we supposed to go,  
When we're alone?

You buried me six feet, feet under the ground,  
Just to make yourself proud.  
You made this so hopeless, hopeless.  
You broke me safe and sound.

Babe, babe, babe you made me so vulnerable.

Oh, oh!  
Maybe, babe, babe I am miserable.  
Oh, oh!

But where are we supposed to go,  
When we can't go home?  
Where are we supposed to go,  
When we're all alone?

Let's go on with our lives apart,  
Let this be a brand new start.  
Don't look back over your shoulder,  
This is the conscious closure!
