SHE TIED YOU TO A CHAIR,  
WHISPERED LIES INTO YOUR EAR.  
SHE CURSED YOU TO BELIEVE THAT SHE  
WAS EVERYTHING YOU'D NEED.

Another cigarette and three shots of jack later,  
All she needed to do was asking you for a favor.

I hope you know, I hope you know.  
I gave it all, I gave it all to the fall.  
I hope you know, I hope you know.  
I gave it all, I gave it all, but it's time to let go.

UNZIPPED CLOTHES LAY ON THE FLOOR,  
SHE SCREAMS YOUR NAME AND BEGS FOR MORE.  
SHE'S NOT EVEN SIXTEEN,  
YOU'RE MAKING SUCH A SCENE.

ALL THE GLORY, ALL THE FAME,  
YOU GOT I ALL, YOU MADE YOUR NAME.  
CONFESS YOUR SINS, CONFESS YOUR FALL,  
YOU HAD YOUR BLESSINGS BUT LOST THEM ALL.

How could you do this to us  
After all we've been through?  
You were the only one  
I did every put my trust in.

I hope you know, I hope you know.  
I gave it all, I gave it all to the fall.  
I hope you know, I hope you know.  
I gave it all, I gave it all, but it's time to let go.

Time to let go (x10)

I hope you know, I hope you know.  
I gave it all, I gave it all to the fall.  
I hope you know, I hope you know.  
I gave it all, I gave it all, but it's time to let go.
