#### VERSE 1:

I don't know if I can take this anymore  
Why did our love ever have to get torn?  
I feel so warm with you next to me  
But little did I know it was all a dream

#### PRE CHORUS:

I've been working, I've been praying  
But you're bringing me down

#### CHORUS:

Everything you do  
Everything you say  
Runnin' through my mind and drivin' me insane  
Yeah, you made me believe  
X2

#### VERSE 2:

I don't ever wanna see your face again  
Cause what we had before, it always seemed like  
pretend  
I tried my best to get found  
I tried to find another girl, there's none around

#### PRE CHORUS:

I've been working, I've been praying  
But you're bringing me down

#### CHORUS:

Everything you do  
Everything you say  
Runnin' through my mind and drivin' me insane  
Yeah, you made me believe  
X2

#### BRIDGE:

I don't know if I can take it anymore  
Why did our love ever have to get torn?  
I was so lost, yeah I couldn't see  
I was so blind, but you guided me  
I was so last, yeah I couldn't see

I was so blind, but you guided me, yeah..

CHORUS:

Everything you do

Everything you say

Runnin' through my mind and drivin' me insane

Yeah, you made me believe
