Krushing at the Party San, hear the hordes rejoice  
Filth to feed the Vermin, 'n beer to oil the voice  
We'll beat your eardrums useless, and tie you on the  
Rack  
Bones and nerves are grind to pulp, we are fucken  
back  
Again we set the standards, get the message clear  
Leave the fucken stage bitch, no room for you here  
Mercy won't be given, as we enter our domain  
Endlessly you'll suffer, on the altar of pain

Merchants of brutality, death our only rule  
The doctrine of true metal, gods of the old school  
Die by fucken Asphyx, ultra loud we slay  
Skinned alive you humbly beg for death the brutal way!

Pouring molten mayhem, controllers of the saw  
A liquid iron overdose, we'll have it fucken raw  
Never shown respect for ya, spitting on your age  
Turn the spotlights on, unleash the monsters from their  
cage  
Feel the trembling earth, eating away your dignity  
Watch the blood pour out as you lose virginity  
We don't need no make-up, slugs from armored stacks  
Honest to the core as we make you bastards crack

Merchants of brutality, death our only rule  
The doctrine of true metal, gods of the old school  
Die by fucken Asphyx, ultra loud we slay  
Skinned alive you humbly beg for death the brutal way!

Hitting pandemonium, bring the sacrifice  
Swallowing this dish of steel, diving in dry ice  
Razorblades cut through your skull, painful as the pox  
We'll break the fucken speed of light, the afterlife will  
shock  
Order will be chaos, the watcher now will see  
Born for immortality, eternity will scream  
Pouring molten mayhem, controllers of the saw  
A liquid iron overdose, we'll have it fucken raw

Merchants of brutality, death our only rule

The doctrine of true metal, gods of the old school  
Die by fucken Asphyx, ultra loud we slay  
Skinned alive you humbly beg for death the brutal way!
