[Lyrics: Van Drunen / Music: Daniels]

Her name it means power  
her silhouette brings fear  
no mercy for the dreadnaught  
when the sight at sea is clear  
she's defying every dancer  
through mist, ice and snow  
dominates the oceans  
and its depths below

She spreads terror and death  
when her cannons spit lead  
she the ruler at sea  
gladiator of steel

In a dark and misty night  
she went for open sea  
slipping through the allied maze  
whose radar couldn't see  
now the deadly game begun  
with the home flee on her tail  
and in the demonstration  
she sank the hood and the prince of waves

Steaming on with dignity  
continuing her mission  
enjoying every victory  
reloading the cannons

Solem iron majesty  
goddess of destruction  
with her banners high  
to the last confrontation

Seventy-one torpedos  
couldn't sank the battleship  
The Bismarck become  
runderless because of one lucky hit

She was to proud to bow  
sunken by her own crew

now the glory lives on  
gladiator of steel
