[AWOL]

I feel like bustin' a cap in the face of a Slob fool  
Now I've been a Crip from the gitty-up ???  
Another Kelly at the scene of a crime spree  
I get paid I don't murder muthafuckas for free  
It's like you gotta see dead to play your card  
Smoke any young Snoop and National Guard  
They got M-16's no A.K.'s  
With 47 ways I can stand up and get for days  
Grab the strap, grab the beanie  
Worm through dark so the Slobs don't see me  
We callin' a truce but if the Snoops wanna trip  
I break up the meeting and tell 'em: nigga this still Crip!  
KELLY PARK just givin' a punch nigga  
ATLANTIC DRIVE's up to way so the Mafia's bigger  
NEIGHBORHOOD has got to get, you don't hear me  
though  
SOUTH SIDE break it down to the C-Lo ??  
SPOOK TOWN's ?in the next room?  
ACACIA BLOCC steady givin' niggas the blues  
My niggas up to no good  
FARM DOGS, PARK VILLAGE, NUTTY BLOCC and POCKET  
HOOD  
TRAGNIEW, MONA and CARVER PARK  
Steady puttin' in work on the Lueders mark  
PALMER BLOCC, SANTANA and ORIGINAL FRONT  
Gotta kill a Slob every single day of the month  
SIX HOODS and DUCKY HOODS got to have fun  
While the SWAMP put in work on 1-5-1  
Tic toc another Slob drop  
ANZAC gangsta Crip and LANTANA BLOCC  
Set trippin'  
?? from the toe, that's a no-no  
You wanna scrap but I'm reachin' for my 44

[EBONY]

Reachin' for the 44  
I'm reachin' for the 44  
Looks like another Slob B-K-O  
I'm reachin' for the 44  
Looks like another Slob B-K-O

[DO OR DIE & SIN]

Put the Slobs in they muthafuckin' grave  
Hit the Crip-ass niggas in Compton and it's  
muthafuckin' real  
So let them feel the ???  
And you muthafuckin' Slob better step your ass back  
Cause the niggas gettin' funky on the real level  
Niggas dyin', niggas workin' for the devil  
I'ma tell ya like this G  
If I have to kill me a nigga that's just what it's gotta see  
Cause I'ma scrap off the top  
Put a nigga on chill and knock his ass out like a rock  
And drop him right like a bad heaven  
And now you know that I'ma reach for my muthafuckin'  
automatic  
Yo dog, want to grab it  
And let them niggas know that they can't have it  
I'm bustin' the shells on a Snoop bitch  
And fuck a Snoop nigga  
Cause it's a muthafuckin' trick  
So duck your ass muthafucka  
Cause if you don't then your monkey ass straight gotta  
suffer  
Suffer from shit from a ??  
Just another Crip block and go

[EBONY]

I'm reachin' for the 44  
Looks like another Slob B-K-O  
I'm reachin' for the 44

[GENUINE DRAFT a.k.a. DOMINO]

Hey what's up with that Crip nigga?

I got love for them Crip niggas everyday  
Hate a Slob like a Muslim on the K-K-K  
Hit up the city ?and around yay I better?  
L-B-C plug a slug in the middle letter  
What's up with that Snoop-ass Jungle bitch?!?  
Slob that, Slob this, now that's some C shit  
And if you're Slobbin', fuck being a brother  
Sick shit - doin' a stroll and just die muthafuckas  
I think a bootie try to smoke the G the R the J  
Caught the homies from the hood and it's what to say  
Same old Slob-ass bitches try to straight spray  
So load up until you caught and the A.K.  
When a Glock hittin' the dark homies hittin' me up  
Now it's on for the muthafuckin' chicken bucks  
Hit the corner where a ??? serve  
Mad like a muthafucka so I have to blast first

They saw a ?? cause they feel what we got for 'em  
But we connect this so they fallin' like a rainstorm 'em  
Time to go since we seen Mr. 5.0  
Creeps on a trip but another fuckin' Slob hoe

[EBONY]
