You're all that I want
You're all that I'll ever need
You're my shining star
You're a shining star for me

I see you pass my way
Making my day a brighter day
You're all that I want
You're all that I'll ever need

You're my shining star
You're a shining star for me (for me)
You're all that I want
You're all that I'll ever need (need)

You're all that I want
You're all that I'll ever need
You're my shining star
You're a shining star for me

For me

You're always shining
You're always shining for me (ooh)

You're all that I want
You're all that I'll ever need
You're my shining star
You're a shining star for me

I see you pass my way
Making my day a brighter day
You're all that I want
You're all that I'll ever need

You're all that I want
You're all that I want oh yea
