I'm not a Pretty Girl,
I'll tell it to the world
Cos I don't care,
No I don't care
and all the pretty girls
can tell me that I do
But I don't care, no I don't care

Chorus

Image is infatuation
Love is just a frame of mind
Lovers tiff is just an argument
between two of a kind
and it will fix with time
cos we should live as one
People are just Angels, whose wings have come
undone

Break through infatuation
Break through theories cracked and torn
Break through other peoples arguments and faces
painted on
after all it's just a circus
and we're all part of the game
they'll take your heart and they'll break you're heart
but it will mend and mould again

Chorus

Bridge

If I'm not a pretty girl
Oh to be so bold
You're just painting a picture that's already been told
and the picture you are painting
is flowering a lie
Because Angels so beautiful
were never meant to cry

Chorus to end
